BELT DRESSING SPRAY

Colourless, adhesive spray for the efficient treatment of most belt types. Non-toxic adhesive spray conditions belts to prevent drying out and adheres strongly to any belt material giving instant grip.

FEATURES

- Temperature range –50^{0}C to 100^{0}C
- Conditions belts – prevents drying out
- Reduces belt slip – aids transmission efficiency
- Effective in damp conditions
- Prolongs belt life - prevents glazing
- Does not contain: mineral hydrocarbons, animal derived materials, nut oils or genetically modified ingredients.
- FDA Group 21 CFR 178.3570
- NSF H1 registered – 123700
- DIN V 10517

DIRECTIONS FOR USE

- Shake well, hold upright and spray from a distance of 15-30 cms
- Ensure adequate ventilation
- Test compatibility with painted or coated surfaces and rubbers prior to application.
