FOODLUBE SUGAR DISSOLVING FLUID

Food grade fluid for dissolving sugar and fondants from all surfaces. Non-toxic, sugar dissolving fluid leaving a light, durable film to lubricate and protect against corrosion in food/clean environments.

FEATURES

- Temperature range +5^{0}C to +95^{0}C
- Rapidly dissolves and removes sugars and fondants
- Leaves a light, durable lubricating film
- Rapid penetrating action
- Excellent corrosion protection
- Available in trigger spray or bulk form
- Does not contain: mineral hydrocarbons, animal derived materials, nut oils or genetically modified ingredients.
- FDA Group 21 CFR 178.3570
- NSF H1 registered – 122877
- DIN V 10517

DIRECTIONS FOR USE

- Apply directly to sugar or fondant deposits.
- Not suitable for chocolate deposits.
