

# HEAVY DUTY RUSTSHIELD SPRAY

Thin, dry film, corrosion preventative suitable for the temporary outdoor protection of all machined or pressed steel components. It provides protection for extended periods out of doors, in transit and indoors under severe conditions. It also provides residual lubrication for assembly etc.....

## FEATURES

- Ø Effective outdoor corrosion protection
- Ø Mild dewatering action
- Ø Dry film - does not attract dirt and dust
- Ø Thin flexible film - will not crack or chip

## DIRECTIONS FOR USE

- Ø Shake well, hold upright and spray from a distance of approximately 15-30cm (6-12 inches) ensuring complete coverage
- Ø Always clean nozzle after use - invert can and depress nozzle until only propellant is expelled
- Ø Ensure adequate ventilation. Do not spray onto naked flame or any incandescent material
- Ø Test compatibility with painted or coated surfaces, plastics and rubbers prior to application
